Foamy Glass Cleaner (P313)

This spray doesn't leave streaks and it cleans and degreases all glass surfaces. Ideal for the home and strong enough for industry use.

FOAMY GLASS CLEANER – Designed and formulated for cleaning all types of glass (windows, lights, mirrors, etc.). Particularly suitable for automotive windshields to easily clean and remove dirt, grease, insect, and nicotine stains. The active foam will not drip or streak and releases a pleasant fragrance.

HOW TO USE :Shake well before use. Provide adequate amount of product directly on glass or cloth. Wipe with a clean cloth while the glass is still wet. If the spray is applied directly on the glass, spray from a distance of 6-8" inches.

Technical Specifications:

Barcode	EAN: 8034108892429
Quantity	400 ml – Net Wt. 13.1 oz 373 g
Case	12 Pieces
Aspect	Cylinder containing under pressure fluid
Color	White foam
Odor	Characteristic
Relative density	a 68°F 0.87 ÷ 0.91 g/ml
Flash point	Low.32° F
Pressure at 68°F	4/6 bar
PH	>7
Initial boiling point	>212°F
Water solubility	soluble
Decomposing time	>392°F

STORAGE

Before using: stock the product in a dry location above 40°F degrees and below 113°F. After use, keep containers closed. In the original package, the product can be conserved for 24 months.
